

Non-Discrimination Policy

It is the policy of the School not to discriminate on the basis of race, color, national origin, religion, sex, age, disability, genetic information, marital status, veteran status or any other unlawful criterion or circumstance in any of its employment practices. Such practices include but are not limited to, recruiting, hiring, placement, retention, promotion or compensation, layoff or termination, professional development, and performance appraisals.

For qualified individuals with known disabilities, the School shall make reasonable accommodations for such individuals unless doing so would result in an undue hardship.

To further this policy, the Governing Authority strongly urges all staff members with a question or concern regarding workplace discrimination to discuss the matter to the Head Administrator or his/her designee. The Governing Authority prohibits any retaliatory behavior directed against those that raise concerns or make a report. Anyone who is determined to have discriminated against others or to have retaliated because another reported discrimination will be disciplined and may be terminated.

The Governing Authority also encourages all staff members to develop their own personal commitment to the concepts of equal opportunity described above.
